

Modern and creative lighting of floors, ceilings, paths or walls for gardens, patios, buildings, swimming pools, ponds, kitchens, bathrooms, living rooms, etc.

Microspot 8 mm

Microspot 12 mm

Microspot 30°

Microspot Quadro

- Beautifully designed V2A stainless steel housing
- Quick and easy installation
- Unlimited application possibilities for indoor and outdoor lighting above or below water, 100% waterproof and IP68 tested
- Extremely long lifespan (about 20 years at an average use of six hours per day), low power consumption and low heat generation
- All types of luminaires can be supplied individually, as a customised linear- or star-configured set with the cable length required. Nearly all **staub designlight** luminaires are combinable with one another
