Halogen Maxispot

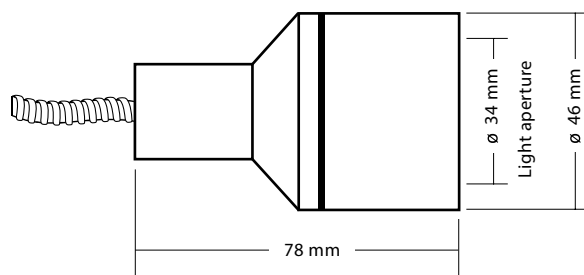

Maxispot Halogen, mounted on base plate and medium-height luminaire holder

- Most efficient and smallest luminaire of this type
- Quick and easy installation
- Unlimited application possibilities for indoor and outdoor lighting, above or below water, 100% waterproof and IP68 tested
- Thanks to our unrivalled, patented module technology, subsequent conversion from halogen to high-power LED lamps is possible at any time
- Extremely long lifespan (about 20 years at an average use of six hours per day) low power consumption and low heat generation with high-power LEDs
- All types of luminaires can be supplied individually, as a customised linear- or star-configured set with the cable length required. Nearly all **staub designlight** luminaires are combinable with one another
