

Modern and creative lighting for gardens, buildings, patios, swimming pools, ponds, biotopes, etc.

Topspot 430, single, halogen

Topspot SA

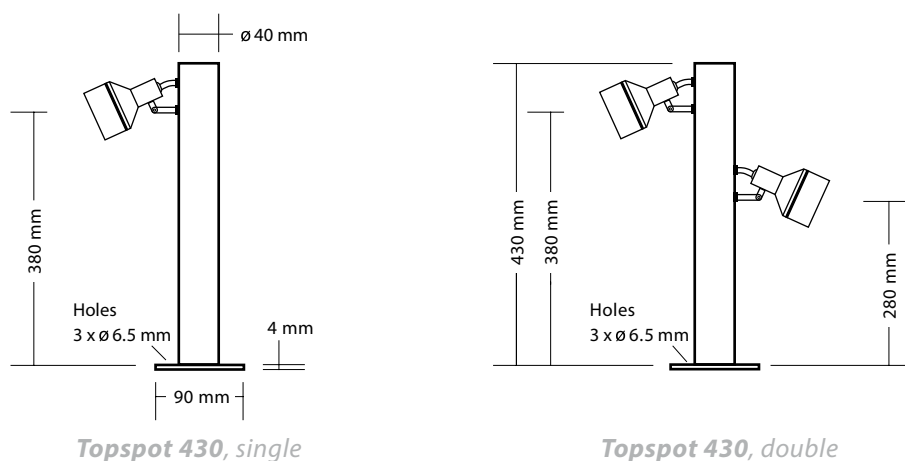

**WORLD PREMIERE**  
Swiss patent  
German utility model

*Topspot SA with high-power LED Ultraspot and Megaspot*

- Entirely glare-free light output thanks to integrated honeycomb anti-glare louvre
- Quick and easy installation
- Unlimited application possibilities for indoor and outdoor lighting above or below water, 100% waterproof and IP68 tested
- Thanks to our unrivalled, patented module technology, subsequent conversion from halogen to high-power LED lamps is possible at any time
- Extremely long lifespan (about 20 years at an average use of six hours per day), low power consumption and low heat generation with high-power LEDs
- All types of luminaires can be supplied individually, as a customised linear- or star-configured set with the cable length required. Nearly all **staub designlight** luminaires are combinable with one another

## 12 Topspot

Topspot 430, single

Topspot 430, double

### Standard design

Beautifully designed, brushed 40 mm V2A stainless steel pole; Maxispot with honeycomb anti-glare louvre and clear glass; supplied with 0.5 m silicone cable

### Special design

If requested, the luminaire can be supplied with 20 watts/10°, 35 watts/36° or 10° halogen lamp; high-power LED cold white 5000 K; warm light filter for even warmer light; frosted lens for diffused light; Topspot SA: pole length, number and type of luminaire (Ultra-spot, Maxispot, Megaspot) and height positions as required; high-power LED light beam angles: 16° or 22°; V4A stainless steel; housing available in other colours upon request

### Accessories (optional extras available, see pages 67–79)

Warm light filter, frosted lens, dichroic filters, spanner, concrete-in ground anchors, wireless remote control (see pages 62–65). Mini motion detector fitted in luminaire housing to turn light on automatically, IR remote control for mini motion detector

Halogen technology	Item no.
Topspot 430, single, 12 volt AC, 1 x 20 watts, 36°, wide beam	20.150400
Topspot 430, double, 12 volt AC, 2 x 20 watts, 36°, wide beam	20.150401
Topspot SA, special design according to customer specifications	20.150402
High-power (HP) LED technology	
Topspot 430, single, 12 volt AC, 1 x 3 watts, 36°, warm white, wide beam	20.150450
Topspot 430, double, 12 volt AC, 2 x 3 watts, 36°, warm white, wide beam	20.150451
Topspot SA, special design according to customer specifications	20.150452
